My Body

Young the Giant

Stop

The train is ridin

Down to the station

Where you lived

When we were school kidsHey

The rails are caught now

And I am falling down fools in a spiral

Round this town of steamMy body tells me no, but I won't quit

'Cause I want more

'Cause I want moreMy body tells me no, but I won't quit

'Cause I want more

'Cause I want more

StopThe train is riding

Down to the station where I livedWhen I was a cool kid

Hey

Is it my fault that

The fallen embers burn down in a spiralRound your crown of thievesMy body tells me no, but I won't quit

'Cause I want more

'Cause I want more

My body tells me no, but I won't quit

'Cause I want more

'Cause I want more

And it rides out of town

Oh, it's my road, it's my road, it's my road

It's my road, it's my road, it's my road

And it's my war, it's my war, it's my war

His eyes are open

His eyes are open

Oh, cause I want more, I want more

Want more

His eyes are open

His eyes are open

(Hey, hey, hey)

My body tells me no, but I won't quit

'Cause I want more

'Cause I want more

My body tells me no, but I wont quit

'Cause I want more

'Cause I want more

It rides out of town
