

I Just Want to Celebrate

Rare Earth

One, two, three, four
I just want to celebrate another day of livin'
I just want to celebrate another day of life
I put my faith in the people
But the people let me down
So I turned the other way
And I carry on, anyhow That's why I'm telling you
I just want to celebrate, yeah, yeah
Another day of living, yeah
I just want to celebrate another day of life
Had my hand on the dollar bill
And the dollar bill flew away
But the sun is shining down on me
And it's here to stay That's why I'm telling you
I just want to celebrate, yeah, yeah
Another day of living, yeah
I just want to celebrate another day of livin'
I just want to celebrate another day of life
Don't let it all get you down, no, no
Don't let it turn you around and around and around and around and around
Well, I can't be bothered with sorrow
And I can't be bothered with hate, no, no
I'm using up the time but feeling fine, every day
That's why I'm telling you I just want to celebrate
Oh, yeah
I just want to celebrate another day
Oh, I just want to celebrate another day of livin'
I just want to celebrate another day of life
Don't let it all get you down, no, no
Don't let it turn you around and around, etc.
Round, round, round, etc.
Don't go round
I just want to celebrate
I just want to celebrate
Well, I just want to celebrate
Said I just want to celebrate (celebrate)
I just want to celebrate (I want to celebrate)
I just want to celebrate (I got to celebrate)
I just want to celebrate
