## Mono

The stranger sang a theme From someone else's dreamThe leaves began to fall And no one spoke at allBut I can't seem to recall When you came along . . . IngenueIngenueThe stranger sang a theme From someone else's dream The leaves began to fall And no one spoke at allBut I can't seem to recall When you came alongIngenueIngenue I just don't know what to doThe tree-lined avenue Begins to fade from viewDrowning past regrets In tea and cigarettesBut I can't seem to forget When you came along . . . Ingenue Ingenue I just don't know what to doIngenue I just don't know what to do
