

# Talk Like That

## The Presets

Oh oh!  
Oh oh!  
Oh oh!  
Oh oh!

Oh oh! My how you've grown!  
I think I'll call you on the telephone  
And tell you all the things  
That I've been missing. Oh oh! Turn out the lights,  
Where we're going we don't need 'em tonight.  
We're at your daddy's home,  
But he's not listening.  
You make me crazy when you (talk like that)  
I might go crazy when you (talk like that)  
You know I love it when you (talk like that)  
Yeah, girl I'm crazy when you (talk like that)  
You make me crazy when you - Oh oh!  
Oh oh! Our time has come,  
Start of the race and we're ready to run!  
We're on a roll tonight and y'all won't fight it. Don't like what you see?  
Send 'em a memo, tough titties,  
They ought to try sometime, they might just like it. (Talk like that)  
I might go crazy when you (talk like that)  
A little creepy when you (talk like that)  
But girl, I love it when you (talk like that)  
You make me crazy when you -  
Oh, oh! You make me crazy when you (talk like that)  
I might go crazy when you (talk like that)  
A little scary when you (talk like that)  
But kid, I love it when you (talk like that)  
You make me crazy when you -
