

Special

21 Savage

In my feelings, she got me in my feelings
She got me in my feelings (forreal)
She got me in my feelings (forreal)
Got me in my feeling (forreal)
She got me in my feelings (forreal)
She got me in my feelings (forreal)
Got me...
She got me in my feelings (forreal)
Buy a brand new Bentley (forreal)
Buy her new Chanel (forreal)
I don't kiss and tell (no)
Her diamonds raindrop (yeah)
Stay down when the fame stop (yeah)
She be scratching on my tank top
Real niggas 'gone make the pain stop
Bad bitch you gone ride with me 'till the wheels off (21)
Baby, you 'gone calm me down when I'm pissed off (21)
I'm a savage so your panties might get ripped off (21)
Your ex didn't know how to appreciate you now he missed out
We got something special
We got something special
We got something special
We got something special
I was finna text you
But I ain't wanna pest you
Even if we ain't together (no matter we're forever)
I'm still coming to your rescue
Put you in that coupe
Put you in Jimmy Choo (21)
Burken bag (yeah), twenty-five thousand on the tag (yeah)
Put you on a private jet (yeah)
We ain't never riding first class (yeah)
And we having sex in the air, (yeah)
Make the whole compartment 'gone crash (yeah)
Hard to find a bad bitch to stay true to me (21)
Who 'gone spend them late nights in the booth with me
Gotta get a bitch she pullin' up to shoot with me
If you can't stay down then you ain't 'gone reap the fruits with me
Coke bottle model and she like to swallow
Pussy so good I give her all my guala (all my money)
I got your back forever, put that on my partner (on God)
You ain't gotta pay no bills

We got something special
We got something special (yeah)
We got something special
We got something special
I was finna text you
But I don't wanna pest you
Even if we ain't together (no matter we're forever)
I'm still coming to your rescue
Ride with me (ride with me)
Tell the truth and don't you lie to me (lie to me)
You know I need you on my side with me (side with me)
Tell the truth and don't you lie to me (lie to me)
Baby, roll with me (roll with me)
Jump in that coupe and, baby, coast with me (coast with me)
If I was broke she kicking doors with me (doors with me)
Baby, roll with me
Roll with me (21)
I'mma hold you down forever
You my round forever
They just want to use you, but I'm tryna help you
Savage I'm tryna build, they just tryna feel
Really ain't none of their business
We got something real special
We got something special
We got something special
We got something special
I was finna text you
But I don't wanna pest you
Even if we ain't together (no matter we're forever)
I'm still coming to your rescue
