

Find Your Way Back

Michelle Branch

I used to get away with so much
Now I can't get away
I even thought that it was simple
To say the things I wanted to say And you told me
Everything I wanted to hear
And you sold me
Now I don't know how I should feel
I should know me
And baby you would think I'd know better I'm finding my way back to you
And everything I used to be
And waiting is all that I can do
Until you find your way back to me
What if I said what I was thinking
What if that says too much
When everybody's got a reason
I feel like giving up And you told me
Everything I wanted to hear
And you sold me
Now I don't know how I should feel
I should know me
And baby you would think I'd know better And I'm finding my way back to you
And everything I used to be
And waiting is all that I can do
Until you find your way back to me
Until you find your way back to me
Oh until you find your way back to me
I used to get away with so much
I'm finding my way back to you
And everything I used to be
And waiting is all that I can do
Until you find your way back to me And waiting is all that I can do
Until you find your way back to me
I used to get away with so much
