Find Your Way Back

Michelle Branch

I used to get away with so much
Now I can't get away
I even thought that it was simple
To say the things I wanted to sayAnd you told me
Everything I wanted to hear
And you sold me

Now I don't know how I should feel

I should know me

And baby you would think I'd know betterI'm finding my way back to you

And everything I used to be

And waiting is all that I can do

Until you find your way back to me

What if I said what I was thinking

What if that says too much

When everybody's got a reason

I feel like giving upAnd you told me

Everything I wanted to hear

And you sold me

Now I don't know how I should feel

I should know me

And baby you would think I'd know betterAnd I'm finding my way back to you

And everything I used to be

And waiting is all that I can do

Until you find your way back to me

Until you find your way back to me

Oh until you find your way back to me

I used to get away with so much

I'm finding my way back to you

And everything I used to be

And waiting is all that I can do

Until you find your way back to meAnd waiting is all that I can do

Until you find your way back to me

I used to get away with so much
