Pissin' In the Wind

Jerry Jeff Walker

Jerry Jeff WalkerChorus:

Pissin' in the wind, bettin' on a losing friend
Makin' the same mistakes, we swore we'd never make again
And we're pissin' in the wind, but it's blowing on all our friends
We're gonna sit and grin and tell our grandchildrenAbout the time I called this Guy it was four

in the morning

Teach me the words to the song I was hummingHe just laughed and he said that the ole grey cat is sneakin' down the hall

But all he wants to know is who in the hell is paying for the call ChorusNow this Nunn called me up, it was eight in the morning Wanted to know how in the world am I doin'

He just laughed and he said get together boy, and fall on by the house Some Gonzo buddies would like to play anything your's picking nowChorus

Now we worked and we suffered and struggled

Makin' our record till we got it right

Now we're waiting on the check to come sneaking down the hall

Like that old time feeling

That we never should have ever put the record out at allChorusThat the answer my friend is just pissin' in the wind

The answer is pissin' in the sink Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
