

# Tonight I'm Getting Over You

Carly Rae Jepsen

I wanna smash your fears  
And get drunken off your tears  
Don't you share your smile with anyone else but me  
I wanna touch your heart  
I wanna crash it in my hands Make you plead and cry as you give up all the lies  
We're not lovers  
But more than friends  
Put a flame to every single word you ever said  
No more crying  
To get me through  
I'll keep dancing till the morning with somebody new  
Tonight I'm getting over you (Tonight I'm getting over you) Tonight I'm getting over  
you (Tonight I'm getting over you) Over you  
Over you  
Stuck in a real bad dream  
And man it feels so new to me  
Should be in your arms but I'm begging at your feet  
It's been a real hard night  
And I just hold my pillow tight  
It won't love me back, no  
It's not you and I  
We're not lovers  
But more than friends  
Put a flame to every single word you ever said  
No more crying  
To get me through  
I'll keep dancing till the morning with somebody new  
Tonight I'm getting over you  
(Tonight I'm getting over you)  
Tonight I'm getting over you  
(Tonight I'm getting over you)  
Over you  
Over you  
(Tonight I'm getting over you)  
(Tonight I'm getting over you)  
(Tonight I'm getting over you)  
Over you  
Over you  
(Tonight I'm getting over you)  
We're not lovers  
(Tonight I'm getting over you)  
But more than friends

(Tonight I'm getting over you)  
Put a flame to every single word you ever said  
(Tonight I'm getting over you)  
No more crying  
To get me through  
I'll keep dancing till the morning with somebody new  
Tonight I'm getting over you
