

# Pass the Dutch

## Young Money

Too many women, and not enough time  
Im a cool cat, but im on life nine.  
Pimping aint dead cause I be the life line  
And I don't buy the bar cuz it don't sell white wine  
Gon' let that light shine  
ballin' for a life time  
Smoking on a nice pine, Weezy baby flight flyin  
You can call him your husband  
Call me at night time  
And even though women change  
I will always like dimes  
And yeah im quite fine, but shawty much finer  
And I just get behind her  
And smack it like E Honda  
And please don't hate on me  
when you see me with Kiana  
cause she wilder than Nirvana  
and colder than your honor  
holla at your boy manana  
Maybach come wit a recliner  
run up on it and sh-t will get uglier than an iguana  
this is only a reminder it's Young Money don't forget it  
and im Weezy F baby you might find it on a titty

Keep a cup in my hand like im begging for some cheese I fall off in the party
