

# Still in Love

## Nothing More

It feels like better days have passed  
And I'm not betting being better or the best  
Would bring us back How long have we been in this hold?

We were gonna grow old together  
But now we're just growing old I tried, I tried  
Yeah

I tried, I tried I'm still in love with you  
I'm still in love with you

Love

We try and we try

So hard, always

And we try, we try

So

It feels like better days have passed  
We turned and we burned everything that we had from a blaze to an ash  
Why can't we go back? I tried, I tried

Yeah

I tried, I tried I'm still in love with you  
I'm still in love with you

Love

We try and we try

So hard, always

And we try, we try

So hard

Hard We tried so hard

We tried so hard

I'm still in love with you

I'm still in love with you

I'm still hurting

I'm still in love with you

I'm still in love

With you
