

# Washed By the Water

## NEEDTOBREATHE

Daddy was a preacher  
She was his wife  
Just tryin to make the world a little better  
You know, shine a light  
People started talking  
Just to hear their own voice  
Those people tried to accuse my father  
Say he made the wrong choice  
Though it might be painful  
You know that time will always tell  
Those people have long since gone  
My father never failed  
Even when the rain falls  
Even when the flood starts rising  
Even when the storm comes  
I am washed by the water  
Even when the rain falls  
Even when the flood starts rising  
Even when the storm comes  
I am washed by the water  
Even when the Earth crumbles under my feet  
Even when the ones I love, turn around and crucify me  
I won't ever ever let you down  
won't fall, won't fall, won't fall as long as you're around me  
Even when the rain falls  
Even when the flood starts rising  
Even when the storm comes  
I am washed by the water  
Even when the rain falls  
Even when the flood starts rising  
Even when the storm comes  
I am washed by the water  
Even when the rain falls  
Even when the flood starts rising  
Even when the storm comes  
I am washed by the water  
Even when the rain falls  
I am washed by the water  
Even when the rain falls  
Even when the flood starts rising  
Even when the storm comes  
I am washed by the water  
Yeah, I am washed by the water
