

# Your Heart Is As Black As Night

[Beth Hart & Joe Bonamassa](#)

Your eyes may be whole but the story I'm told is  
Your heart is as black as night  
Your lips may be sweet such that I can't compete  
But your heart is as black as night  
I don't know why you came along  
At such a perfect time  
But if I let you hang around  
I'm bound to lose my mind  
'Cause your hands may be strong  
But the feeling's all wrong  
Your heart is as black as night  
I don't know why you came along  
At such a perfect time  
But if I let you hang around  
I'm bound to lose my mind  
'Cause your hands may be strong  
But the feeling's all wrong  
Your heart is as black as night  
Your eyes may be whole but the story I'm told is  
Your heart is as black as night  
Your lips may be sweet such that I can't compete  
But your heart is as black as night  
I don't know why you came along  
At such a perfect time  
But if I let you hang around  
I'm bound to lose my mind  
'Cause your hands may be strong  
But the feeling's all wrong  
Your heart is as black, your heart is as black  
Oh, your heart is as black as night, as night, as night
