

Chapel Hill Boogie (With John Dee Holeman)

[Live]

Kenny Wayne Shepherd

When you go to Chapel Hill, Chapel Hill's on the ball,
When you go to Chapel Hill and get a drink of alcohol,
And do the boogie,
Do the Chapel Hill boogie,
Do the Chapel Hill boogie well I'll boogie-woogie all night long. I was standin' on a corner with
a glass in my hand,
She come by an' say "Woo, that's my man!",
Do the boogie,
The Chapel Hill boogie,
Do the Chapel Hill boogie well I'll boogie-woogie all night long. Boogie a-while now! Momma
killed a chicken, she thought it was a duck,
She put it on the table with its legs stickin' up,
Do the Chapel Hill boogie,
Do the Chapel Hill boogie,
Do the Chapel Hill boogie, boogie-woogie all night long.
An' all the lil' chickens they were all standin' round,
They all done the boogie 'til the sun went down,
Do the boogie,
Chapel Hill boogie,
Do the Chapel Hill boogie well I'll boogie-woogie all night long. Yeah boogie! You see all the
lil' chickens they were all standin' round,
They all done the boogie 'til the sun went down,
Do the boogie,
Chapel Hill boogie,
Do the Chapel Hill boogie well I'll boogie all night long. Well I'll go to Chapel Hill, Chapel Hill
is a ball,
Go to Chapel Hill get a drink of alcohol,
Do the Chapel Hill boogie,
Do the Chapel Hill boogie,
Do the Chapel Hill boogie, boogie-woogie all night long.
Go to Tin-Top, Tin-Top is right,
Go to Tin-Top they start a fuss an' fight,
Do the Chapel Hill boogie,
Do the Chapel Hill boogie,
Do the Chapel Hill boogie well I'll boogie-woogie all night long. Wait a while! I said Momma,
Momma Momma won't ya look at this,
Standin' in the backyard doin' something like this,
Do the boogie,
Chapel Hill boogie,

Do the Chapel Hill boogie well I'll boogie all night long.
