

I'm Still Here (feat. Tina Campbell)

Donnie McClurkin

I'm Still Here

Sop & Alto: I'm still here through
the story of life. I'm still here
through the pain and the strife.
I'm still here and I can't understand
how I made it this far.

Solo: Yes I'm still here and I'll
admit there were times when I
thought, thought I was losing
my mind but the Lord came and
He gave me the strength and
I made it this far. Yes I did.

Solo: I'm still here though some
said I was done. I'm still here.
I've got farther to run and I can't
look behind me again cause
I made it, I made it. I made it.

Choir: And I'm sure that I
would have surely died if it
had not been for God,
God on my side. Yes I survived
somehow and it's too late now.
For I know what, know what
God has planned will stand oh.

Solo: I'm still here despite what
people may say. I'm still here
and I'm crowning today.

Solo: And it's true I'm amazed
just like you I made it,
I made it. I made it.

Vamp: Oh, oh still here. Thank God
I'm still here. Still here.

Thank God, thank God. Still here.
Thank God I'm still here. Still here.
Thank God, thank God. Still here.
Thank God I'm still here.

Still here. Thank God, thank God.
Thank You Lord (6x) Still here.
