

# Body Language

## Tyrese

You ain't gotta say a word  
I been watching  
And girl I get the message  
loud and clear  
We can communicate  
without talking  
All you gotta do is  
bring your body here  
Your hips swaying  
got you saying  
All the sexy shit I like  
We'll be deep in conversation  
In the heat of the night  
Girl when you shake it  
you're telling me you feel it  
While your eyes  
keep on telling me  
to kill it  
Don't worry baby  
I know what I'm doing  
'Cause I'm fluent  
in body language  
I understand it  
Girl you want me to take my time  
and make it last all night  
Just saying  
'Cause I've been waiting  
So anything you want and need  
Baby I aim to please  
Just let your body  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
There's no need to rehearse  
time for action  
'Cause in this scene  
your body plays a major role  
(We're forgetting our lines

and losing track of time  
But I don't mind, no I don't mind)  
'Cause you're here and now  
your heart has what it wants  
Your hips swaying  
got you saying  
All the sexy shit I like  
We'll be deep in conversation  
In the heat of the night  
Girl when you shake it  
you're telling me you feel it  
While your eyes  
keep on telling me  
to kill it  
Don't worry baby  
I know what I'm doing  
'Cause I'm fluent  
in body language  
I understand it  
Girl you want me to take my time  
and make it last all night  
Just saying  
'Cause I've been waiting  
So anything you want and need  
baby I aim to please  
Just let your body  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
Anything you gotta say  
just let it go  
Just give me the word  
so I know you're ready babe  
I'll give you more  
I know exactly what I heard  
So I'm about to put in work  
I'm trynna give you  
all that you deserve  
Keep on using your  
body language  
I understand it  
Girl you want me to take my time  
and make it last all night  
Just saying  
'Cause I've been waiting

So anything you want and need  
baby I aim to please  
Just let your body  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
Just let your body  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
talk talk to me babe  
Talk to me babe  
talk talk to me babe  
Talk to me babe
