

# Nobody Does It Better

8mm

Nobody does it better  
Makes me feel sad for the rest  
Nobody does it half as good as you  
Baby, you're the best I wasn't looking but somehow you found me  
And I tried to hide from your love light  
But like heaven above me  
The spy who loved me  
Is keeping all my secrets safe  
Is keeping all my secrets safe tonight  
Nobody does it better  
Sometimes I wish someone does  
Nobody does it quite the way you do  
Why'd you have to be so good? The way that you hold me  
Whenever you hold me  
There's some kind of magic that's inside you  
That keeps me from running  
But just keep it coming  
How'd you learn to do the things?  
How'd you learn to do the things to me?  
Nobody does it better  
Makes me feel sad for the rest  
Nobody does it half as good as you  
Baby  
Baby  
Darling you're the best,  
You're the best  
Baby, you're the best  
Darling, you're the best
