

# Made of Glass

## Trapt

I don't know anything at all  
And I'm somebody else  
It could take years to find you  
It could take years to find myself  
And I don't need to hear your answer  
I just need you to see  
That I think it's time to break down  
These walls that we throw up Am I still breathing  
Have I lost that feeling  
Am I made of glass 'cause  
You see right through me  
I don't know who I am  
And you're the only one who sees that  
I can't ask these questions  
That cannot be answered today  
And even if everything goes wrong  
And we start to fall apart  
I will understand where you are  
I will understand this by myself  
And I don't need to hear your answer  
I just need you to feel  
Like there are no boundaries at all Am I still breathing  
Have I lost that feeling  
Am I made of glass 'cause  
You see right through me  
I don't know who I am  
And you're the only one who sees that  
I can't ask these questions  
That cannot be answered today I don't mind today  
Whoa, today, I don't matter today, oh.  
And how far have we come  
Too far to throw away the past  
Will you be there waiting for me?  
If I have to ask what we are.  
If I ask today it just won't last  
So I'll be here waiting for you Will we ever feel this good again  
Will we ever feel this real again, again  
Will you ever be mine again  
Will we ever feel this real again Not today, today  
I don't mind today  
Whoa, today

I don't matter today
