Buy Me a Rose

Kenny Rogers

He works hard to give her all he thinks she wants Three car garage, her own credit cards He pulls in late to wake her up with a kiss goodnight If he could only read her mind She'd say:Buy me a rose Call me from work Open a door for me what would it hurt Show me you love me by the look in your eyes These are the litte things I need the most in my life Now the days have grown to years of feeling all alone She can't help but wonder what she's doing wrong Lately she'd try anything to turn his head Would it make a difference if she'd say: Buy me a rose Call me from work Open the door for me what would it hurt Show me you love me by the look in your eyes These are the litte things I need the most in my lifeAnd the more that he lives The less that he tries To show her the love that he holds inside And the more that she gives The more that he sees This is the story of you and me So I bought you a rose On the way home from work to open the door to a heart that i hurt And I hoped you noticed this look in my eyes cause im gonna make things right For the rest of your life(rest of your life)
