

# My Cellmate Thinks I'm Sexy

Cledus T. Judd

Hi-Ho Silver AWAY After my show thought I'd have a little fun  
Hopped on a horse Lord he sure could run  
Well I got a butt kickin when the police finally caught me Give me back my horse Not a moment  
too soon Tim McGraw jumped in  
Did his best Jackie Chan got a cop on the chin  
Now I don't understand why they's arresting me My cellmate thinks I'm sexy  
I really turn him on  
He's always staring at me  
When them guards are gone  
I'm running out of cigarettes  
He's asking me to dance  
He say's I'm looking good  
In these orange pants  
I really wish Tim McGraw was here to protect me...  
My cellmate thinks I'm sexy...I'd give anything to be back on my bus  
I'm hiding in my bunk but he's climbing on up  
Swears all he wants me to do is sing him one of my songs Says he's got a dream I'm afraid of  
what it is  
You're never gonna see me on a horse after this  
I only get one call I hope Faith is home Answer the phone My cellmate thinks I'm sexy  
He just won't leave me alone  
He's blowing kisses at me  
And I'm a duckin' 'em all  
I hate to break it to him  
I'm in no mood for romance  
What part of NO don't this fool understand  
I'm in big trouble if someone don't come and get me  
My cellmate thinks I'm sexy Well one day behind bars is long enough  
Cause when I drop that soap oh his eyes light up My cellmate thinks I UH  
My cellmate thinks I'm sexy  
I really turn him on  
My name is Kenny Chesney  
This ain't nowhere I belong Me and Tim's in trouble  
Buddy one thing is for sure  
George Strait's gonna kick us off his George Strait Tour  
I'd call Tracy Lawrence but he's in the next cell beside me  
My cellmate thinks I'm sexy My Cellmate Thinks I'm sexy UHI had him from hello WAZZUP!
