

# Jump

## Madonna

There's only so much you can learn in one place  
The more that I wait, the more time that I waste I haven't got much time to waste  
It's time to make my way  
I'm not afraid of what I'll face  
But I'm afraid to stay  
I'm going down my road and I can make it alone  
I'll work and I'll fight till I find a place of my own Are you ready to jump  
Get ready to jump  
Don't ever look back oh baby  
Yes, I'm ready to jump  
Just take my hand  
get ready to jump  
We learned our lesson from the start  
My sisters and me  
The only thing you can depend on Is your family  
Life's gonna drop you down like a limb from a tree  
It sways and it swings and it bends until it makes you see Are you ready?  
There's only so much you can learn in one place  
The more that you wait  
The more time that you waste I'll work and I'll fight till I find a place of my own It sways and it  
swings and it bends until you make it your own I can make it alone (my sisters and me)
