Step out the Caddy Deville

It's on a base of steel

Them boys checkin us out

Know when we dress to kill

Struttin in the club, it's dark

But still got my shades on

I hear the Dj mixin Youngbloodz

To that Whisper Song

(Bridge)

We from the city that make it Okay to

To make clubbin' a year-round holiday

So if you feelin right, grab the Kryptonite

If this yo song tonight, then it's on tonight (Hook)

Bounce wit it drop wit it

Lean wit it rock wit it

Snap wit it

All my ladies pop yo backs wit it

Do it do it do it do it

You know the world be rockin' to it to it

(Verse 2)

No need to ask where I'm from

You already know

I represent the A from my head to my toes

Step on the dance floor

Watch and learn cuz here I go

I throw my hands up

And work my body to the floor (Bridge)

To make clubbin' a year-round holiday
