

# Kiss You All Over

## Exile

When I get home, babe  
Gonna light your fire  
All day I've been thinkin' about you, babe  
You're my one desire Gonna wrap my arms around you  
Hold you close to me  
Oh, babe I wanna taste your lips  
I wanna be your fantasy, yeah Don't know what I'd do without you, babe  
Don't know where I'd be  
You're not just another lover  
No, you're everything to me Everytime I'm with you, baby  
I can't believe it's true  
When you're layin' in my arms  
And you do the things you do  
You can see it in my eyes  
I can feel it in your touch  
You don't have to say a thing  
Just let me show how much I love you  
I need you, yeah I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in  
Till the night closes in No one else can ever make me feel the way you do  
So keep on loving me, baby, and I'll keep loving you  
It's easy to see when something's right or if it's wrong  
Stay with me baby and hold me all night long  
Show me, show me everything you do  
'Cause baby no one does it quite like you  
I love you  
I need you, yeah I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in  
Till the night closes in Stay with me, lay with me, holding me, loving me, baby  
Here with me, near with me, feeling you close to me, baby So show me, show me everything  
you do  
'Cause baby no one does it quite like you  
I love you  
I need you, yeah I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in  
Till the night closes in Till the night closes in

Till the night closes in  
Till the night closes in
