## **Kiss You All Over**

## Exile

When I get home, babe Gonna light your fire All day I've been thinkin' about you, babe You're my one desireGonna wrap my arms around you Hold you close to me Oh, babe I wanna taste your lips I wanna be your fantasy, yeahDon't know what I'd do without you, babe Don't know where I'd be You're not just another lover No, you're everything to meEverytime I'm with you, baby I can't believe it's true When you're layin' in my arms And you do the things you do You can see it in my eyes I can feel it in your touch You don't have to say a thing Just let me show how muchI love you I need you, yeahI wanna kiss you all over And over again I wanna kiss you all over Till the night closes in Till the night closes inNo one else can ever make me feel the way you do So keep on loving me, baby, and I'll keep loving you It's easy to see when something's right or if it's wrong Stay with me baby and hold me all night long Show me, show me everything you do 'Cause baby no one does it quite like you I love you I need you, yeahI wanna kiss you all over And over again I wanna kiss you all over Till the night closes in Till the night closes inStay with me, lay with me, holding me, loving me, baby Here with me, near with me, feeling you close to me, babySo show me, show me everything you do 'Cause baby no one does it quite like you I love you I need you, yeahI wanna kiss you all over And over again I wanna kiss you all over Till the night closes in Till the night closes inTill the night closes in

Till the night closes in Till the night closes in
