

Follow You Home

Nickelback

Well you can dig me up a grave
And try and stick me in the ground
Well you can tie me to the bed
And try and beat me half to death
But you can never keep me down
Well you can stick me in a hole And you can pray all day for rain
You can shoot me in the leg
Just to try to make me beg
And you can leave me there for days
And I'll stay alive Just to Follow You Home
And I will survive
Cause you're my Mississippi Princess You're my California Queen
Like the Duchess of Detroit
And every city in between You can slap me in the face
You can scream profanity Leave me here to die alone but
I'll still Follow You Home
I'll still Follow You Home
You can make a couple calls
And tell your brothers I'm in town
Put a bounty on my head And tell my parents that I'm dead
And hope to hell I'm never found
You can steal me the keys
To your daddy's Cadillac
You can tamper with the brakes Call it a mistake
And pray I'm never coming back
And I'll stay alive
Just to Follow You Home
And I will survive
Cause you're my Mississippi Princess
You're my California Queen Like the Duchess of Detroit And every city in between
You can slap me in the face
You can scream profanity
Leave me here to die alone but
I'll still follow you home
Well you can dig me up a grave And try and stick me in the ground
Well you can tie me to the bed
And try and beat me half to death
But you can never keep me down
Well I will survive
Cause you're my Mississippi Princess
You're my California Queen
Like the Duchess of Detroit

And every city in between
You can slap me in the face
You can scream profanity
Leave me here to die alone but
I'll still Follow You Home (I'll still Follow You Home)
I'll still Follow You Home (I'll still Follow You Home)
I'll still Follow You Home (I'll still Follow You Home)
I'll still Follow You Home (I'll still Follow You Home)
I'll still Follow You Home
