

Crazy World

MNEK

Do you belong?
Somewhere in this crazy world
Ah, ah
Do you belong?
Somewhere in this crazy world There's somebody for looking for some answers
Somewhere in this crazy world
They're wondering why everything is so messed up
Orlando to Beijing and everywhere in between
Somewhere in this crazy world tonight
It's calling out
Do you belong?
Somewhere in this crazy world A man is told he's committed a sin
Somewhere in this crazy world
All because of the colour of his skin
The streets to the courtrooms
And every time I watch the news
Somewhere in this crazy world tonight
Just trying to stay up
Trying to survive (to survive, yeah, to survive)
But you won't believe that it's true 'til that someone is you
Somewhere in this crazy world tonight
So where do you go?
When you're out of places to run
So, when the world is too much
Don't let it go (don't let go)
If you need someone to turn to, I'll be there for you
'Cause in this crazy world, you're not alone
You're not alone
You're not alone
Somewhere in this crazy world
Do you belong?
Somewhere in this crazy world
Somewhere in this crazy world A father is disappointed by his son
Somewhere in this crazy world
He's told him that he's in love with someone
Let's high and mourn him
He's coming out, he can't keep it in
Somewhere, somewhere, somewhere
Somewhere in this crazy world tonight
Somebody's trying to live their lives
Trying to survive (to survive, yeah, to survive)
But you won't believe that it's true 'til that someone is you

Somewhere in this crazy world tonight
I'm just trying to stay alive
Trying to survive (to survive, yeah, to survive)
But you won't believe that it's true 'til that someone is you
Somewhere in this crazy world
tonight
Somewhere in this crazy world
Do you belong?
Somewhere, somewhere, somewhere
Do you belong?
Somewhere in this crazy world tonight
