

# For the First Time

Darius Rucker

You say you never dance to a dashboard  
Singin' R.E.M under summer stars  
Never lean back on a jet black chevy  
Blowing smoke rings in the dark  
You don't want to be a rube girl  
And I feel just the same  
Yeah I know that you don't know me well  
But we can make that change  
When was the last time you did something for the first time?  
Yeah, let yourself go and follow that feeling  
Maybe something new is what you're needing  
Like a real night, let your head down, feel alive  
When was the last time you did something for the first time?  
Say you never drink from the bottle  
Or some two dollar wine, run barefoot through the mud  
Never have the right kiss stolen from your lips  
While you watch the Sun go up  
Well I know your friends are watching  
And they probably disapprove  
But give me just half a chance  
Girl I'm daring you  
When was the last time you did something for the first time?  
Yeah, let yourself go and follow that feeling  
Maybe something new is what you're needing  
Like a real night, let your head down, feel alive  
When was the last time you did something for the first time?  
Now the way you're looking says  
you're leaning  
I hope I ain't readin' you wrong  
Girl the way you're sounding, I think you're thinking  
It's been way too long  
When was the last time you did something for the first time?  
Yeah, let yourself go and follow that feeling  
Baby something new is what you're needing  
Like a real night, let your head down, feel alive, alive  
When was the last time, oh, you did something for the first time girl?  
Tell me baby, when was the last time  
Yeah, you did something for the first time?
