

# With You

Jessica Simpson

The real me is a southern girl  
With her Levi's on and an open heart  
Wish I could save the world  
Like I was Supergirl  
The real me used to laugh all night  
Lying in the grass just talkin' bout love  
But lately I've been jaded  
Life got so complicated I start thinkin' about it  
I almost forgot what it was like  
To know what love feels like  
But with you  
I can let my hair down  
I can say anything crazy  
I know you'll catch me  
Right before I hit the ground  
With nothin' but a t-shirt on  
I never felt so beautiful  
Baby as I do now  
Now that I'm with you You speak and it's like a song  
And just like that all my walls come down  
It's like a private joke  
Just meant for us to know I relate to you naturally  
Everybody else just fades away  
Sometimes it's hard to breathe  
Just knowing you found me  
Cuz' I start thinkin' about it  
I almost forgot what it was like  
To know when it feels right Cuz' with you  
I can let my hair down  
I can say anything crazy  
I know you'll catch me  
Right before I hit the ground  
With nothin' but a t-shirt on  
I never felt so beautiful  
Baby as I do now  
Now that I'm with you With you with you with you Come and take me  
Love you, save me  
Like nobody else  
Now I can be myself with you I can let my hair down  
I can say anything crazy  
I know you'll catch me  
Right before I hit the ground

With nothin' but a t-shirt on  
I never felt so beautiful  
Baby as I do now  
Now that I'm with you
