Going Wrong (Mix Cut) [feat. Chris Jones]

Armin van Buuren & DJ Shah

Yeah, I keep dreaming

That I have it all

I'm always waiting

For that something moreI'm still craving

To have you by my side

I know our love is fading

But soon it will shineAnd I can't see today

And I can't see tomorrow

You're burning out my head

And in my brain it's going wrongAnd I will live today

And I will live tomorrow

No matter what is said or done

Even if it's going wrong

Even if it's going wrong

Even if it's going wrong

You're burning out my headI keep searching

Forever in your eyes

I'll be careful

But soon we will shineAnd I can't see today

And I can't see tomorrow

You're burning out my head

And in my brain it's going wrongAnd I will live today

And I will live tomorrow

No matter what is said or done

Even if it's going wrong

Even if it's going wrong

Even if it's going wrong

You're burning out my headEven if it's going wrong

You're burning out my headAnd I can't see today

And I can't see tomorrow

You're burning out my headAnd I can't see today

And I can't see tomorrow

You're burning out my headAnd I can't see today

And I can't see tomorrow

You're burning out my headAnd in my brain it's going wrong

And I will live today

And I will live tomorrow

No matter what is said or done

Even if it's going wrong
