Flowers

The Emotions

We (We) hold the key (Hold the key)

To the world's (The world's) destiny (Destiny)Have you the feeling to shine your light Usin' the power, shinin' bright

Years we've been searchin', born to be

{Whoa, whoa, whoa, whoa, oh}All the good thing discovers, we're able to see

Your heart's a fire, create for you, mmm, mmm, mmm, mmm

Love and desire, hearts of two

Mmm mmm ooh hoo ooh ooh

Think it over (Yeah), ooh

Life ain't a four leaf clover, (Oh, no it ain't) ooh

Think it over (Brother), ooh

Life ain't a four leaf clover, ooh (Ooh ooh ooh ooh ooh)Love is a flower, from that a bud
To spread its sunshine and make us love

Beautiful colors shinin' though

{Bless you, brother} Bless you, brother, {God is watching you} God is watching you,

wooThink it over (Oh, ho, ho), ooh

Life ain't a four leaf clover (No-no-no-no-no-no), ooh

Think it over (You better), ooh

Life ain't a four leaf clover (Mmm mmm mmm), oohLove is a flower, let it shine on through {Oh, whoa, whoa, whoa, oh}

All you know where it's comin' from, God is watchin' you, oh, yes, He is

Oh, listen, this is the tower {Oh, whoa, whoa, whoa, oh}

Let that flower bloom all over you, you, you, you, ooh ooh

We hold the key (Brothers)

To the world's (Come together and love) destiny

(You see, it's like a flower sent from above)

We (Let that flower bloom) hold the key (All over you and me)

To the world's (All over the world) destiny

(Do you know what I mean, woo, woo, woo, woo, ooh woo)Woo woo, woo, woo, woo, woo,

woo, woo

Woo ooh

Whoa, whoa
