

Tell It Like It Is

Aaron Neville

If you want something to play with
Go and find yourself a toy
'Cause baby my time is too expensive
And I'm not a little boy, no If you are serious, look girl, look girl, look girl
Just don't play with my heart it makes me furious
But if you want me to love you
Then baby I will, girl you know that I will Tell it like it is
Don't be ashamed to let your conscience be your guide
But I Lord I know that deep down inside me
I believe you love me forget your foolish pride
You know life is too short Lord to have sorrow, yeah, yeah, yeah, yeah
You may be here today and I'm gone, and I'm gone
And you may be gone tomorrow
So you might as well get what you want
So go on and live, baby baby, baby baby go on and live
And you tell it like it is
I'm nothing to play with it, girl you better find yourself a toy
But I know deep down inside me
I believe you love me but I'm not your little boy, no Tell it like it is
Oh I love, oh I love, oh I love, doll I love my doll
And my doll and there is nothing I can do about it
