

Daft Punk Is Playing At My House

LCD Soundsystem

Daft punk is playing at my house, my house
I'll show you the ropes kid, show you the ropes
Got a bus and a trailer at my house, my house
I'll show you the ropes kid, show you the ropes
I bought fifteen cases for my house, my house
All the furniture is in the garage
Well daft punk is playing at my house, my house
You got to set them up kid, set them up You got to set 'em up, oh oh yeah
You got to set 'em up, oh oh yeah
You got to set them up, set them up
Well everybody's lined up in my house, my house
And Sarah's girlfriend is working the door
Got everybody's PA in my house, my house
All the robots descend from the bus
There's a freak out brewing in my house, my house
You got to set them up kid, set them up
And never, never let them go
No never, never, never let them go
Never, never, never let them go
Let them go
Downtown
