

Black Hearts Now Reign

Unearth

Take, rob this world of resource
Burn the oil for fortune
Stealing from our savior
In quest of power Sealed, our fate is catastrophic
The coming days of failure
Aborting evolution
In quest of power Take all you want
And these bloody skies will reign
Take what's hers
And these bloody skies will reign
These bloody skies will reign
These bloody skies will reign
Oh, mother close your eyes
These bloody skies will reign
Dear savior brace your heart
These bloody skies will reign Oh, mother close your eyes
These bloody skies will reign
Dear savior brace your heart Take, rob this world of resource
Burn the oil for fortune
Stealing from our savior
In quest of power Sealed, our fate is catastrophic
The coming days of failure
Aborting evolution
In quest of power
Blackened lives
Sunless skies
Our bare world weeps
Black hearts now reign Blasphemous corruption
Controlling progression
Our bare world weeps
Black hearts now reign Black hearts now reign In solitude, a lonely voice is heard
This future of despair is easy to avoid
This future of despair is easy to avoid Lies strangle this world's hope
In quest of power
In quest of power
In quest of power In quest of power
In quest of power
In quest of power
