

# Black Hearts Now Reign

## Unearth

Take, rob this world of resource  
Burn the oil for fortune  
Stealing from our savior  
In quest of power Sealed, our fate is catastrophic  
The coming days of failure  
Aborting evolution  
In quest of power Take all you want  
And these bloody skies will reign  
Take what's hers  
And these bloody skies will reign  
These bloody skies will reign  
These bloody skies will reign  
Oh, mother close your eyes  
These bloody skies will reign  
Dear savior brace your heart  
These bloody skies will reign Oh, mother close your eyes  
These bloody skies will reign  
Dear savior brace your heart Take, rob this world of resource  
Burn the oil for fortune  
Stealing from our savior  
In quest of power Sealed, our fate is catastrophic  
The coming days of failure  
Aborting evolution  
In quest of power  
Blackened lives  
Sunless skies  
Our bare world weeps  
Black hearts now reign Blasphemous corruption  
Controlling progression  
Our bare world weeps  
Black hearts now reign Black hearts now reign In solitude, a lonely voice is heard  
This future of despair is easy to avoid  
This future of despair is easy to avoid Lies strangle this world's hope  
In quest of power  
In quest of power  
In quest of power In quest of power  
In quest of power  
In quest of power
