

# Worth It

## Kodaline

Kodaline - Worth It  
Stars in the pavement  
Washed up and jaded  
this blood on the streets of gold  
Beautiful waitress,  
just couldn't make it,  
so far away from home  
Are you strong enough (are you strong enough)  
Are you wise enough (are you wise enough)  
Are you giving up (are you giving up)  
Will you disappear  
When it comes to me (when it comes to me)  
I don't know you see (i don't know you see)  
I don't want to leave (i don't want to leave)  
But I can't stay  
I don't know,  
if it's worth it,  
is it worth it?  
I don't know I don't know,  
if it's worth it,  
is it worth it?  
I don't know I don't know I don't know  
No one can see them  
Angels and demons  
Are testing how low you go  
Sunsets in \_\_\_\_\_  
As dark as your heart gets  
It's best if you just say no  
But are you strong enough (are you strong enough)  
Are you wise enough (are you wise enough)  
Are you giving up (are you giving up)  
Will you disappear  
When it comes to me (when it comes to me)  
I don't know you see (i don't know you see)  
I don't want to leave (i don't want to leave)  
But I can't stay I don't know,  
if it's worth it,  
is it worth it?  
I don't know I don't know,  
if it's worth it,  
is it worth it?  
I don't know  
I, i, i, i Whoo hoo Is it worth it?  
I don't know I don't know  
If i want it or if i don't (yeah i don't know)  
I don't know

I don't know  
If it's fine now or if it's not I don't know  
if it's worth it,  
is it worth it?  
I don't know I don't know,  
if it's worth it,  
is it worth it?  
I don't know I don't know  
Whoohoo  
I don't know (whoohoo oh oh oh)  
(whoohoo oh oh oh) I don't know Worth it oh oh oh  
Worth it, yeah i don't know
