## Alkaline Trio

Shaking like a dog shitting razorblades  
Waking up next to nothing  
After dreaming of you and me  
I'm waking up all alone, waking up so relieved  
While you're taking your time with apologies  
I'm making my plans for revenge  
Red eyes on orange horizons  
If Columbus was wrong I'd drive straight off the edge I'd drive straight off the edge  
Taking your own life with boredom  
I'm taking my own life with wine  
It helps you to rule out the sorrow  
It helps me to empty my mind  
Making the most of a bad time  
I'm smoking the brains from my head  
Leaving the coal calling the kettle black  
And orange and red  
This kettle is seeing red  
I've got a big fat fucking bone to pick  
With you my darling In case you haven't heard I'm sick  
And tired of trying  
I wish you  
Would take my radio to bathe with you  
Plugged in and ready to fall  
Shaking like a dog shitting razorblades  
Waking up next to nothing  
After dreaming of you and me I'm waking up all alone, waking up so relieved  
While you're taking your time with apologies  
I'm planning out my revenge  
Red eyes on orange horizons  
If Columbus was wrong I'd drive straight off the edge  
I'm seeing red I've got a big fat fucking bone to pick  
With you my darling  
In case you haven't heard I'm sick  
And tired of trying  
I wish you  
Would take my radio to bathe with you  
Plugged in and ready to fall
