

# Becoming

## Pantera

A long time ago, I never knew myself  
Then the memory of shame birthed it's gift  
No more the small one, the weak one, the frightened one  
Running from beatings, deflating  
I'm becoming more than a man  
More than you ever were  
Driven and burning  
To rise beyond Jesus I'm born again  
With snakes eyes  
Becoming  
God size  
I found my life was slipping through my hands  
Perhaps through death my life won't be so bad  
I can see you  
Can fuck you, inside of you  
Staring through your eyes  
Belittle your friends to serve me  
To suck me  
To realize my saving grip  
I, of suicide  
I, the Unlord I'm born again  
With snakes eyes  
Becoming  
God size  
I'm born again  
With snakes eyes  
Becoming  
God size
