

# Under A Blanket Of Blue

Ella Fitzgerald & Louis Armstrong

Under a blanket of blue  
Just you and I beneath the stars  
Wrapped in the arms of sweet romance  
The night is ours, yes Under a blanket of blue  
Let me be thrilled by all your charms  
Darling, I know my heart will dance  
Within your arms, yes Summer night is magic  
Enthralling me so  
The night would be tragic  
If you weren't here to share it my dear  
Covered with heaven above  
Let's dream a dream  
Of love for two  
Wrapped in the arms of sweet romance  
Under a blanket of blue, yes Under a blanket of blue  
Just you and I beneath the stars  
Wrapped in the arms of sweet romance  
The night is ours Under a blanket of blue  
Let me be thrilled by all your charms  
Darling, I know my heart will dance  
Within your arms A summer night's magic  
Enthralling me so  
The night would be tragic  
If you weren't here to share it my dear  
Covered with heaven above  
Let's dream a dream  
Of love for two  
Wrapped in the arms of sweet romance  
Under a blanket of blue A summer night's magic, oh yes  
Enthralling me so, oh yes  
The night would be tragic  
If you weren't here to share it my dear  
Covered with heaven above, oh yes Let's dream a dream  
Of love for two  
Wrapped in the arms of sweet romance  
Under a blanket of blue, yes  
Under a blanket of blue
