

# Back Home (Radio Edition)

Andy Grammer

I'm gonna need you to raise your glass  
I don't care what you put in it  
Here's to nights that you can't take back  
We live hard but we love to laugh. We all thought that we'd get rich fast  
Hop the plane out for greener grass.  
Found out the green is cash  
Don't compare to the friends that last See, we won't forget where we came from  
The city won't change us,  
We beat to the same drum.  
No, we won't forget where we came from  
The city can't change us  
We beat to the same drum, the same drum  
(Hey!)  
La-dah-dah-dah-dah-dah-dah-dah  
La-dah-dah-dah-dah-dah-dah-doe  
(Hey!)  
And no matter where we go  
We always find our way back home (Hey!)  
La-dah-dah-dah-dah-dah-dah-dah  
La-dah-dah-dah-dah-dah-dah-doe  
(Hey!)  
And no matter where we go  
We always find our way back home So here's to the cheap sunglasses,  
Redbull and minivans and,  
People who had your back when  
The world didn't understand  
See, we won't forget where we came from  
The city won't change us,  
We beat to the same drum.  
No, we won't forget where we came from  
The city can't change us  
We beat to the same drum, the same drum (Hey!)  
La-dah-dah-dah-dah-dah-dah-dah  
La-dah-dah-dah-dah-dah-dah-doe  
(Hey!)  
And no matter where we go  
We always find our way back home (Hey!)  
La-dah-dah-dah-dah-dah-dah-dah  
La-dah-dah-dah-dah-dah-dah-doe  
(Hey!)  
And no matter where we go  
We always find our way back home When ties loosen

We're losin' touch  
And fading away  
We'll still be raising our cups  
To the same damn things Oh no, the city won't change us  
Oh no, the city won't change us  
Oh no, the city won't change us  
Oh no, the city won't change us  
Won't change us (Hey!) La-dah-dah-dah-dah-dah-dah-dah  
La-dah-dah-dah-dah-dah-dah-doe  
And no matter where we go  
We always find our way back home La-dah-dah-dah-dah-dah-dah-dah  
La-dah-dah-dah-dah-dah-dah-doe  
And no matter where we go  
We always find our way back home La-dah-dah-dah-dah-dah-dah-dah  
La-dah-dah-dah-dah-dah-dah-doe  
And no matter where we go  
We always find our way back home (Hey!)  
We always find our way back home.  
Yeah, we always find our way back home
