

COFFEE BEAN

Travis Scott

Bad, bad news
I'm just bad, bad news
Good thing that you, money and clout
The money and who?
It's bad news
Bad, bad for you
But I'm back on the coffee bean
Anything in between (this is all, this is all)
Back of the coffee line
Back, back, back in the bathroom line (this is all)
How would you feel if I had you?
Trust me, you'd be mad too
Shawty, we can be mad cool
Just hit me if anything past due
Your family told you I'm a bad move
Plus I'm already a black dude
Leave in the bathroom, my hands is half-rinsed
If only a nigga just had sense
Speaking in past tense
It's been a week and a half since
We ain't been speaking in mad mins
You feeling free in my absence
I've been going through a lot behind
this glass tint (this is all, this is all)Back of the coffee line
Back, back Back in the bathroom line (this is)
I know they told you I'd be bad for you
Don't worry I'll be back for you
All the money and cars
Stripper hoes and the tattoos
Bad news
Back off a coffee bean
Reflecting on all you see (this is all, this is all)Stressing the over award shows
She's stressin' over her wardrobe
Bought the mansion on foreclose
No matter how many tickets your tour sold
You feel this deep in your torso
Feel like someone's readin' your horoscope
Some shit only me and Lord knows
SOS, that's for those who hear this in morse code
Too many doors closed Cul-de-sacs and foreign doors
Still we meet up at the North Pole
This is where remorse goes

Shoulda had you in Divorce Court
Fighting over your seeds, writing over your D's, sliding over your key
Alimony and fees, as your lawyer proceeds
To give out bad news I'm just bad, bad news
Good thing, but you was right
The money and who?
It's bad news
Bad, bad for you
But I'm back on the coffee bean
Anything in between (this is all, this is all)
Back of the coffee line
Back, back, in the bathroom line (This is all)
