Gorgeous (feat. Kid Cudi & Raekwon)

Kanye West

Ain't no question if I want it, I need it I can feel it slowly drifting away from me I'm on the edge, so why you playing? I'm saying I will never ever let you live this down, down, downNot for nothing I've forseen it, I dream it I can feel it slowly dripping away from me No more chances if you blow this, you bogus I will never ever let you live this down, down, downPenitentiary chances, the devil dances And eventually answers to the call of Autumn All of them fallin' for the love of ballin' Got caught with 30 rocks, the cop look like Alec Baldwin Inter century anthems based off inner city tantrums Based off the way we was branded Face it, Jerome get more time than Brandon And at the airport they check all through my bag and tell me that it's random But we stay winning, this week has been a bad massage I need a happy ending and a new beginning And a new fitted and some job opportunities thats lucrative This the real world, homie, school finished They done stole your dreams, you dunno who did it

I won't be satisfied til all my niggas get it, get it?

Ain't no question if I want it, I need it
I can feel it slowly drifting away from me
I'm on the edge, so why you playing? I'm saying

I treat the cash the way the government treats AIDS

I will never ever let you live this down, downIs hip hop, just a euphemism for a new religion

The soul music for the slaves that the youth is missing
But this is more than just my road to redemption
Malcolm West had the whole nation standing at attention
As long as I'm in Polo's smilin' they think they got me
But they would try to crack me if they ever see a black me
I thought I chose a field where they couldn't sack me
If a nigga ain't running shootin a jump shot running a track meet
But this pimp is, at the top of mount Olympus
Ready for the World's game, this is my Olympics
We make 'em say ho cause the game is so pimpish
Choke a South Park writer with a fishstick
I insisted to get up off a this dick
And these drugs, niggas can't resist it
Remind me of when they tried to have Ali enlisted
If I ever wasn't the greatest, nigga, I must have missed it!

Ain't no question if I want it, I need it

I can feel it slowly drifting away from me

I'm on the edge, so why you playing? I'm saying

I will never ever let you live this down, down, downI need more drinks and less lights

And that American Apparel girl in just tights

She told the director she tryna get in a school

He said "take them glasses off and get in the pool"

It's been a while since I watched the tube

Cause like a crip said: "I got way too many blues for any more bad news"

I was looking at my resume feeling real fresh today

They rewrite history I don't believe in yesterday

And what's a black beetle anyway, a fucking roach

I guess thats why they got me sitting in fucking coach

But God said I need a different approach

Cause people is looking at me like I'm sniffing coke

It's not funny anymore, try different jokes

Tell 'em hug and kiss my ass, x and o

Kiss the ring while they at it, do my thing while I got it

Play strings for the dramatic

And end all of that wack shit

Act like I aint had a belt in two classes

I aint got it I'm going after whoever who has it

I'm coming after whoever who has it

You blowing up, that's good, fantastic

That y'all, its like that ya'll

I don't really give a fuck about it at all

Cause the same people that tried to black ball me

Forgot about 2 things, my black ballsAin't no question if I want it, I need it

I can feel it slowly drifting away from me

I'm on the edge, so why you playing? I'm saying

I will never ever let you live this down, down, downNot for nothing I've forseen it, I dream it

I can feel it slowly dripping away from me

No more chances if you blow this, you bogus

I will never ever let you live this down, down, downI know cops, hems is lifting lenses

Kid, Armani suits, fresh fruits, Bally boots and Benzes

Counting up, smoking, one cuff

Live as a red Jag, a Louis bag, grabbing a blunt, fuck it

Steam about a hundred and one L's

Kites off the jails, buying sweats, running up in Stetson

Nigga hat game was special

It matched every black pair of Nikes

Throwing dice for decimals

The older head, bolder head, would train a soldier head

Make sure he right in the field, not a soldier dead

Got made code red

Break up the black skunk

The black dutch, back of the old shed

If you can't live, you dying

You give or buy in

Keep it real or keep it moving, keep grinding

Keep shining, to every young man, this is a plan

Learn from others like your brothers Rae and KanyeNot for nothing I've forseen it, I dream it

I can feel it slowly drifting away from me

No more chances if you blow this, you bogus

I will never ever let you live this down, down
