

# Drake Would Love Me

K. Michelle

I would be the apple of his iron  
He would treat me like his grand prize  
Trophy, make me feel every bit worth it  
I would be his simple reason  
He'd show me off while we're at the Grammy's  
Winnin, nominated, they hatin But even know you don't appreciate me  
You can't see what I see  
But someone will believe in me  
And the love that I'm givin  
Drake would love me, he would tease me  
He would touch me like I need  
Drake wouldn't leave me, he would keep me  
Never break his promises  
I'd be the best he ever had  
He'd be on his best behavior  
He would make me so proud  
Oh oh oh oh oh  
Drake would love me I would never ever have to cry and  
If I did, yes, he would make me rain  
Take care of me for me he do anything  
He wouldn't change, he always stay the same  
He would tell the truth, he wouldn't play no games  
His motto would be givin me his all  
Oh, I know that you don't appreciate me  
You can't see what I see  
Someone will believe in me  
And the love that I'm givin Drake would love me, he would tease me  
He would touch me like I need  
Drake wouldn't leave me, he would keep me  
Never break his promises  
I'd be the best he ever had  
He'd be on his best behavior  
He would make me so proud  
Oh oh oh oh oh  
Drake would love me There comes a time in a woman's life  
When she knows it ain't worth a fight  
This can be love, this can be life  
I'm gonna want more, not afraid to let it go  
That's how I know... Drake would love me, he would tease me  
He would touch me like I need  
Drake wouldn't leave me, he would keep me  
Never break his promises

I'd be the best he ever had  
He'd be on his best behavior  
He would make me so proud  
Oh oh oh oh oh yeah  
Drake would love me  
Would love me Drake would love me  
Me yes
