What's Forever For

Michael Martin Murphey

I've been looking at people
And how they change with the times
And lately all I've been seeing are people
Throwing love away and losing their mindsMaybe it's me who's gone crazy
But I can't understand why
All these lovers keep hurting each other

When good love is so hard to come bySo what's the glory in living

Doesn't anybody ever stay together anymore

And if love never lasts forever

Tell me what's forever for

And I see love hungry people

Tryin' their best to survive

When right there in their hands

Is a dying romance

And they're not even trying to keep it aliveSo, what's the glory in living

Doesn't anybody ever stay together anymore

And if love never lasts forever

Tell me what's forever for

So what's the glory in living

Doesn't anybody ever stay together anymore

And if love never lasts forever

Tell me what's forever for
