## So Cold

## **Breaking Benjamin**

Crowded streets are cleared away One by one Hollow heroes seperate As they runYou're so cold Keep your hand in mine Wise men wonder while Strong men dieShow me how it ends It's alright Show me how defenseless You really are Satisfied and empty inside. That's alright Let's give this another try If you find your family Don't you cry In this land of make believe... Dead and dryYou're so cold But you feel alive Lay your head on me One last time...Show me how it ends It's alright Show me how defenseless You really are Satisfied and empty inside. That's alright Let's give this another try Show me how it ends It's alright Show me how defenseless You really are Satisfied and empty inside. That's alright Let's give this another tryIt's Alright It's Alright
