

Just a Rolling Stone (Interlude)

Donnie Klang

[Repeat: x7]
Ohh yea [Repeat: x7]
Ohh If I had a dime
Every girl I thought was fine
I would be a millionaire But I really don't care
What good is it if I'm alone?
If I'm alone...
Guess I'm just a rolling stone... [Chorus]
You might be the one I've been looking for
Guess I'm just a rolling stone You might be the one I've been looking for. If I had a dime
To come around and change my life (change my life)
If it's caught on what shade it is
Start all over again
Nobody wants to be alone (Nobody wants to be alone) (Be alone) [Chorus] [Repeat: x2]
Guess I'm just a rolling stone...
You might be the one that I've been looking for.
You might be the one... I've been waiting for and waiting all day
You might be the one... that I've been waiting for...
You might be the one to slow down a rolling stone. [Chorus]
