

Can't Stop Me (Club Mix)

[Afrojack & Shermanology](#)

If this was the last dance of the night
Will you join me til the morning light?
Dance the night away cause it feels right
You can't stop me, no-o-oIf this was the last dance of the night
Will you join me til the morning light?
Dance the night away cause it feels right
You can't stop me, no-o-oYou can't stop me, no
You can't stop me, no-o-o

We know the end is here
You can't stop me, no-o-o
