

Oh My My

Jill Barber

Oh my my
Oh my my
Oh my my
Oh my my I went to the doctor
Knocked at his door
And he said girl what can I do you for
And I said doctor
For a start
The man I love has done and broke my heart
And he checked my pulse
And fever too
And he said girl nothing I can do
You are love sick
There ain't no cure
I fear the devils knocking at your door He sent me home
And straight to bed
And gave me pills
To rest my head
But it won't do
Cause all I want
All I need
Is darling you I said please don't let me go (don't let me go)
I said please don't let me go (please don't let me go)
I said please don't (don't) let me go
I said please don't let me go (please don't let me go)
You wouldn't have it
Or any of that
You took my love
But you couldn't give it back
You let me go (You let me go)
You walked away (You walked away)
You broke my heart (You broke my heart)
In everyway (In everyway) You left me crying (crying)
You left me blue (blue)
You left me dying over you (you) And I said please don't let me go (don't let me go)
I said please don't let me go (please don't let me go)
I said please don't (don't) let me go
I said please don't let me go (please don't let me go) And the doctor said
Why you dig a grave
This poor heart might be to weak to save
And I said doctor (doctor)
I'm not ready to die (doctor)

I said doctor won't you say you'll try And I said please don't let me go (don't let me go)
I said please don't let me go (please don't let me go)
I said please don't (don't) let me go
I said please don't let me go (please don't let me go) (Clarinet Solo) He said your heart
Will never be the same
He said you
May never love again
And I said doctor
The love I had to start
I gave it to the man who done and broke my heart (broke my heart) Broke my heart (Broke my
heart)
Broke my heart (Broke my heart)
He broke my heart (Broke my heart)
He broke my heart (Broke my heart)
He broke my heart (Broke my heart)
He broke my heart (Broke my heart)
He broke my heart (Broke my heart)
He broke my heart (Broke my heart)
He broke my heart (Broke my heart) Oh my my
Oh my my
Oh my my
Oh my my
Oh my my
Oh my my
Oh my my
