

# Way To Break My Heart (feat. Skrillex)

Ed Sheeran

Star sign, Gemini  
Brown eyes, fair hair in the light  
We called time last night  
And I can't stop thinking 'bout her  
And her lips upon mine, so soft  
Feelings I don't know the name of  
Under the clothes we take off  
Used to be two hearts in love  
Oh why, oh why am I alone?  
Did I, did I do something wrong?  
Am I the reason or have you found someone else?  
So tell me, girl  
How can live without love?  
How can I be what you want?  
'Cause when the mornin' comes around  
You're still gone and I'll say  
How can I see through the dark?  
All I can do is wonder where you are  
Are you happy in someone else's arms?  
Well, that's the way to break my(Heart)  
That's the way to break my  
(Heart)  
That's the way to break my  
(Heart)  
That's the way to break my  
(Heart)  
That's the way to break my  
First love never dies  
Guess I'll see you in another life  
Twelve years down the line  
There's just one thing I remember  
Her lips upon mine, so soft  
Feelings I don't know the name of  
Under the clothes we take off  
Used to be two hearts in love  
Oh why, oh why am I alone?  
Did I, did I do something wrong?  
Am I the reason or have you found someone else?  
So tell me, girl  
How can live without love?  
How can I be what you want?  
'Cause when the mornin' comes around  
You're still gone and I'll say  
How can I see through the dark?  
All I can do is wonder where you are
