

Don't Say No, Just Say Yes

Avant

Ooooh yes
Oh babe
Yes babe
Ooooh yes
Oh babe
yes babe

(I hope she answers my prayer tonight)Open your heart and let me pour my lovin'
inside of you, baby...

You make me feel like livin' and breathin' again

I wanna touch youDon't say no, just say yes

Your body's what I need

Don't say no, just say yes

I can hear you callin me

Your my diamond that shines all of the time...

oh mercy me, yeah...

You made me reach my peak

that day you told me that you wanted me,

don't be afraid baby...Don't say no, just say yes

Your body's what I need

Don't say no, just say yes

I can hear you callin meYou are my season

and you are the reason

I feel the way I do

as our bodies become as one

you're my star

that's what you are (you, you are)

Don't say no, just say yes

Your body's what I need

Don't say no, just say yes

I can hear you callin meNow let me hear you say yes,

say, say, say yes

say, say, say yes

say, say, say yes

oh yeah, oh yeah

(repeat)(Speaking)

Come here baby, lay down right hereI don't wanna talk no more

I can feel you, your body, all over mine

Ooh open your door for me

I'm comin in

knock knock

knock knock baby

knock knock

knock knock baby
knock knock
knock knock baby...
