

# Down With Disease

## Phish

Down with disease  
Three weeks in my bed  
Trying to stop these demons that keep  
Dancing in my head  
Down with disease  
And I'm up before the dawn  
A thousand barefoot children outside  
Dancing on my lawn  
Dancing on my lawn, and I keep

### Chorus

Waiting for the time when I can finally say  
This has all been wonderful but now I'm on my way  
But when I think it's time to leave it all behind

I try to find a way to  
But there's nothing I can say to

Make it stop

(Stop, stop, stop, stop)

(Stop, stop, stop, stop)

(Stop, stop, stop, stop)

(Stop, stop, stop) Down with disease

And the jungles in my mind  
They're climbing up my waterfalls and  
Swingin' on my vines

So I try to hear the music

But I'm always losing time

'Cause they're stepping on my rhythm and they're

Stealin' all my lines

Stealin' all my lines and I keep [chorus]
